PERFORMANCE EVOLUTION EXCELLENCE

ANAHITA GOLF ACADEMY

ANAHITA GOLF

A benchmark in the Indian Ocean

For almost 20 years, Anahita Golf has established itself as a benchmark in the Indian Ocean, thanks to its exceptional course designed by Ernie Els and its stunning lagoon-side location.

Its reputation soared even higher after hosting the AfrAsia Bank Mauritius Open in 2016 and 2018, a prestigious tournament sanctioned by the European Tour, Sunshine Tour, and Asian Tour.

With 250 members in 2025, 28,000 visitors annually, and strong partnerships with leading golf brands such as Ernie Els Design and Callaway, Anahita continues to thrive.

Now, we aim to make Anahita an essential destination for golf education in Mauritius by elevating the quality of our training and welcoming a new internationally acclaimed Head Pro: Thomas LEVET.

CANAL+

TV consultant for the Canal+ group

Thomas Levet's Teaching Philosophy

A method designed for all ages and skill levels

"I am truly excited to share my knowledge and experience with the golfers who come to Anahita, Thomas Levet. My goal is to pass on everything I have learned throughout my career and help them better manage their game on the course. The aim is for them to leave with a clearer understanding of the strategy to adopt in various situations. My teaching will be both technical and heavily focused on course management."
Thomas Levet

— Thomas Levet

TEACHING METHODS

Acquisition of Golf Fundamentals

Technical Analysis and Work on the Swing

Use of Trackman and Video

MENTAL COACHING & STRATEGY

To score without focusing on the outcome

Strategy to improve Performance

Sharing Experience & Managing Emotions

CLINICS

Progression (Handicap 24 and +)

This training session is intended for beginner players or those with a handicap above 24. The goal is to help them improve their fundamentals and progress in their game while benefiting from the advice and experience of Thomas Levet.

Training Program Content:

Game Level Assessment: Understanding each player's strengths and weaknesses

Fundamentals Training: Posture, Grip, Alignment

Short Game: Chipping, putting, bunker shots, practical tips for rapid improvement

Course Management Guidelines:

How to approach a golf course

Learning the basic rules of etiquette

Objectives :

Strengthen basic technique

Improve confidence in your game

Reduce basic mistakes and understand the fundamental rules of golf

Learn from Thomas Levet's experience to better approach each stage of the game

ADVANCED TRAINING

(Handicap less than 12 to 23)

This training session is designed for intermediate-level players looking to improve their game and move closer to a higher level of performance, with the support of Thomas Levet to refine their technique.

Training Program Content:

Swing Analysis: Video capture of the swing and targeted corrections

Short Game and Putting: In-depth techniques for handling situations around the greens, following Thomas's preferred methods

Game Strategy: Learning distance management, green reading, and club selection, with insights from his strategic approach

On-Course Sessions: Practical application over 9 holes, with real-time feedback and direct shot analysis with Thomas

5 Hours: Theoretical and practical lessons with personalized feedback from Thomas on areas for improvement

Objectives :

Refine technical movements to achieve greater accuracy

Improve game consistency for more reliable performance

Gain confidence in competitive and high-pressure situations, with feedback on the techniques recommended by Thomas Levet

PERFORMANCE

(Index - de 12)

This training session is designed for experienced players who wish to refine their techniques and strategies to perform better on challenging courses, with the expertise of Thomas Levet for advanced improvement.

Training Program Content:

Advanced Swing Analysis with Trackman:

Specific corrections with video feedback and technical swing analysis.

Accompanied Course Sessions: Intensive training over two 9-hole rounds, analyzing each shot with a focus on course management, following the approach Thomas Levet used in high-level competitions.

Short Game and Putting: In-depth techniques for handling situations around the greens and improving consistency, with drills inspired by Thomas's methods.

Weakness Optimization: Identifying areas for improvement to save strokes, with Thomas's insights on overcoming personal challenges in competition.

Mental and Strategy Training: Mental preparation before and during competitions, based on Thomas Levet's experience with the psychological challenges of competitive golf.

5 Hours: Dedicated sessions focused on improving specific performance aspects.

Objectives :

Refine every aspect of the game to lower your handicap

Develop a more strategic and mental approach to golf by applying Thomas's strategies

Enhance performance under pressure with tactical advice drawn from Thomas's experience
