COMMENTS ON THE RESULTS

Financial results for the quarter ended 30 September 2022

CONICOLIDATED STATEMENT OF CHANGES

The Group achieved a much better performance in the first quarter, posting a profit for the first time during this low season period. This was achieved despite the drop in occupancy by 7.2% versus the same quarter in financial year 2019 ("pre-Covid comparable quarter") to finish at 75.5%. Revenue for the quarter stood at Rs 1.5 billion, up by 23% on the pre-Covid comparable quarter, with the increase being mainly attributed to an increase in the Group's ADR of 44.2%.

The Group achieved a good EBITDA flowthrough (74.8%) to finish at Rs 310 million compared to Rs 44 million in pre-Covid comparable quarter. Efficiency measures are still being obtained despite food and beverage costs being heavily impacted by inflationary pressures.

Profit after tax was at Rs 9 million (2021: loss of Rs 456 million) compared to Rs 172 million loss in the pre-Covid comparable quarter.

With the loans' repayment of Rs 0.5 billion during the first quarter, the gearing for the Group was further reduced to 30.5% (30 June 2022: 34.8%). At 30 September 2022, the cash balance was Rs 1.4 billion and net debt stood at Rs 4.6 billion.

Outlook

On 20th October 2022, Sun Resorts entered a new era with the launch of its new brand "Sunlife". This brand-led transformation project which includes the new company vision, purpose and values as well as a collection of new customer experiences, will reinvigorate our brand promises and hotel identities.

The booking pace for the second quarter looks encouraging for the Sunlife resorts as well as the Shangri-La Le Touessrok and Four Seasons Mauritius. Provided the current trend continues, the Group should post improved results over the pre-Covid period.

By Order of the Board

CIEL Corporate Services Ltd Company Secretary

28 October 2022
