COMMENTS ON THE RESULTS

Financial results for the quarter ended 30 September 2023

CONSOLIDATED STATEMENT OF CHANGES

The tourism industry continues to recover with tourist arrivals reaching 304,660 for this quarter, representing a growth of 16.4% over the same period last year.

In line with the increase in tourist arrivals, the Group achieved a growth in revenue for the first quarter, reaching Rs 1.8 billion (Q1 FY23: Rs 1.5 billion), driven by a RevPAR increase of 27.2% against the corresponding quarter of the prior year.

Inflationary pressures and shortage of labour remain a challenge but the Group managed to improve its margin with EBITDA up by 29.0% to reach Rs 399 million.

Net finance costs of Rs 105 million were significantly lower than last year mainly due to lower exchange losses on retranslation. The Group posted profit after tax of Rs 139 million (Q1 FY23: Rs 9 million), a commendable performance for a traditionally low season period.

Net interest-bearing debt was Rs 3.5 billion, representing a gearing of 22.4% (30 June 2023:

Outlook

Based on the forward bookings to date, the trend looks positive and notwithstanding unforeseen negative factors, the Group expects the results for the first semester to be better than last year. However, the current situation in the Middle East should be closely monitored for any impact on the tourism industry.
